

The Colette A. Miles Foundation (TCAMF) hopes that you and your families are doing well during this holiday season! Thank you for your interest in supporting this amazing charity. The charity's mission is to provide comfort and support services to families affected by cancer. Sadly, it is unfortunate that so many of us know someone that is struggling with this terrible disease. Over the last 5 years TCAMF has helped many families with non-traditional services like the ones listed below:

- Paid medical bills insurance doesn't cover
- Provide and deliver cancer fighting meals directly to patients home for 12 weeks
- Child Care during treatment
- Housecleaning Service
- Landscaping Service
- Transportation to and from appointments
- Grocery Gift Cards for 1 month
- Financial support towards dental reconstruction as a result of chemotherapy
- King Size Bedroom furniture to a terminally ill patient to share the final stage at home with family
- Funded the Teen/Family Counseling Program at The LivingWell Cancer Resource Center/Geneva
- Funded iPads at the Northwestern Cancer Center for patients use as they wait or receive chemotherapy/treatments

Our recipients have been genuinely touched by our support as personified in testimonials like these:

*"My first and only concern when I was diagnosed with breast cancer was who is going to care for my husband, 9 year old daughter and 7 month old twin boys. My friend Paula introduced us to the Colette A. Miles Foundation and they have provided angels to help me on my not so good days! We are so fortunate to have so many selfless people willing to help!"*

*"You have given me and my family so much more than just a new bedroom. We love everything and are so grateful. Thank you for doing such important work."*

The above testimonials are simply two examples of why TCAMF needs your individual and your company's support. Annually, we only have two major fundraisers with one being Fox Valley Marathon in September and the other being our Raising Hope Dinner in February. This year we are excited to announce that our dinner event will be "Vegas Style."

In order to continue our success with providing the much needed non-traditional support that cancer patients and their families need, we are looking for the following Corporate or Individual Sponsors to make our 4th annual event a success:

Hope Sponsor: \$5,000  
Courage Sponsor: \$2,500  
Friendship Sponsor: \$1,000  
Memory of Sponsor: \$500

You can also help us to raise awareness of our services by spreading the word about TCAMF and attending and inviting others to attend our event, Raising Hope "Vegas Style" Dinner Benefit on February 10, 2018 and if you know of anyone affected by cancer please feel free to pass on the nomination form attached so we can possibly support them if they need it.

Together we can all make a difference in the lives of those dealing with cancer.

The Colette A. Miles Foundation (TCAMF) is a 501 ©(3) organization.
